

Remarks

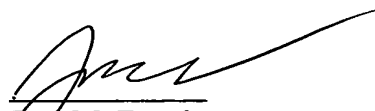

The specification has been amended to include a reference to the priority applications. Support for all of the new amendments is found in the specification on page 9, lines 4-43, Fig. 5, and in other places.

Claims 1-5 are currently amended to remove multiple dependencies and reference indicia; and to meet the requirements of the United States Patent and Trademark Office. Claims 6-13 are newly added claims.

To meet the requirements of the United States, the Abstract (as originally filed in the published PCT application) is added.

No fee is believed to have been incurred by virtue of this amendment. However if a fee is incurred on the basis of this amendment, please charge such fee against deposit account 07-0832

Respectfully submitted,
Marco Winter
